2-That these committees be responsible towards forming continuity and liaison with all progressives doing work in the south, such as church groups, students, CORE, SNIC, SCCU, Labor leaders, and to try to insure continuing work and contacts along these lines.

3-That Party people be asked to go into the south for a long time residence and to seek jobs according to their training, such as teachers, engineers, writers, etc.

April 26, 1965, captioned as above. ~~CONFIDENTIAL~~

CG T-1 advised on May 3, 1965, that during  
the latter part of April, 1965, a discussion was held  
between two Communist Party members who are active in the  
affairs of the National Association for the Advancement of  
Colored People (NAACP), concerning the forthcoming  
National Convention of the NAACP scheduled to be held in  
Denver, Colorado, in June, 1965. During this discussion  
it was stated a decision must be arrived upon concerning  
certain issues to be brought forth at the NAACP  
Convention. Among the issues discussed were the following: ~~CONFIDENTIAL~~

1) The question of vote -- During the  
discussion, it was reiterated that the decision set down  
by leading Communist Party (CP) forces must be followed,  
namely, that there must be increased voter registration in  
the South and the Party must strive to improve the quality of  
representation in the North. It was stated that the  
National Office of the NAACP now appears to be ready to  
assert additional influence in the political action field;  
therefore, the Party forces at the Convention should  
explore the possibility of trying to commit the convention  
to a much broader policy for actively participating in  
election campaigns. ~~CONFIDENTIAL~~

2) Foreign affairs -- a discussion was held  
on the current Viet Nam and African crises; however, it was  
decided that this problem must be set aside until it is

determined what forces are available at the Convention who would be in a position to submit such resolutions. It was felt that known Party forces at the Convention could not present such resolutions.

3) Domestic -- A discussion was held then concerning the establishment of multiple branches of the NAACP throughout the United States. It was stated that this plan was tried in Texas and California and has been apparently successful. Also, it was learned that the Chicago NAACP is against this plan and hopes to present a resolution to reject this plan. If such a plan is passed, the Chicago Branch would be broken down into five or six smaller branches. During this discussion, it was felt that should the multiple branch plan be accepted, it would bring about greater membership participation and in this way it was also felt that Party forces could function more effectively in multiple branches. It was therefore decided that all efforts should be made to back any resolution in favor of the multiple branch policy.

A confidential source advised on May 5, 1965, that on that date, [redacted] was in contact with Dora Mc Donald, Secretary to Martin Luther King. The source further advised that later that day, Stanley Levison contacted [redacted] who told him that Dora Mc Donald had placed it in the mail to Joan that day. He also said that he could not reach Martin (Luther King), but that [redacted] (Public Relations Director of the Southern Christian Leadership Conference) agreed with him that it would be inadvisable to send out "that piece" on the boycott (proposed boycott of the State of Alabama).

## Communist Influence in Racial Matters

Levison mentioned that the "New York Herald Tribune", a daily New York City newspaper, is writing articles on the financial support of civil rights groups. He noted that Ralph Abernathy, Treasurer of the Southern Christian Leadership Conference (SCLC) has been contacted on this. Levison is concerned that Abernathy will "shoot off his mouth". He said this is a delicate matter, how much support from whites and how much from Negroes, and Abernathy may mention big name contributors which people resent. He said this should be indicated to him.

### Stanley Levison

A confidential source advised in April, 1964, that Stanley Levison was a secret member of the Communist Party, United States of America (CP, USA) in July, 1963. In late 1963 and early 1964, he criticized the Communist Party (CP) for not being sufficiently militant in the civil rights struggle. Levison was described by certain CP leaders as being to the "left" of the CP in his position on civil rights. Levison's differences with the CP, however, are merely tactical and he continues his ideological adherence to Communism.

A confidential source, who has furnished reliable information in the past, advised on May 6, 1965, that on that date, Carey McWilliams, Editor of "The Nation" magazine, contacted [redacted] concerning a "wild idea" which he wanted to try out on [redacted]. McWilliams said that if it is assumed that one out of five or seven members of the Communist Party (CP) are Federal Bureau of Investigation (FBI) informants, then a parallel assumption could be made that one out of ten, fifteen or twenty, is a Klansman. McWilliams added that this brings up the issue that Federal funds are being used to pay persons "who buy hoods" as well as to pay their dues, persons who are unquestionably "agents provocateurs" in a particular group and who will "go along with an assassination party".

b6  
b7C

[redacted] commented that this is the unwritten story in the Liuzzo case, (Mrs. Viola Liuzzo who was murdered on March 25, 1965, in Lowndes County, Alabama) that it is incredible how a man who was an FBI person got involved in a set of circumstances where he could have taken part in a series of events resulting in a murder.

Re: Communist Influence in

McWilliams stated that if the case results in a hung jury or an acquittal "what was the purpose of this anyway?" McWilliams felt that Dr. King (Martin Luther King) might want to concern himself with this question because he will have to contend with this sort of thing in all probability in some of the civil rights groups. He added that he feels that the Student Non-Violent Coordinating Committee (SNCC) "has some interesting characters in their own membership right now."

[redacted] noted that "we" held a meeting in Atlanta on Friday, April 30, 1965, "where everybody assumed that there were...some people referred to them as FBI Agents and some referred to them as agents provocateurs, people who were actually within their (SNCC) ranks." [redacted] said that some SNCC people recalled certain persons who did start trouble and began a conflict between state authorities and civil rights workers that was out of proportion to the circumstances. He added that he and King have discussed this and feel it creates a big danger for the civil rights movement.

b6  
b7c

McWilliams believes it would give King<sup>a</sup> way to "nail down a moral stand on this thing" the question being that "it is immoral for the Federal Government to permit Federal funds to be used to pay dues, to contribute in any way to this wicked organization or to permit its agents, who are its paid employees, to participate as agents provocateurs or actual participants in criminal affairs involving the lives and liberties of citizens". McWilliams said if King did not want to say it himself he might know someone who is prepared to say it.

b6  
b7c

[redacted] stated he would contact King about it.

The source further advised that later the same day, Jones was in contact with Stanley Levison who advised that [redacted] had been in touch with him and asked if

McWilliams had contacted [redacted] noted that McWilliams had raised an interesting point but Levison stated that he objected to it. He said he told McWilliams that there are certain things King has to consider apart from the validity of this point. He, Levison, feels that if King came out with such a statement now, FBI Director Hoover would view it as a renewal of the alleged vendetta which King has for him as well as King going out of his way to start a new type of criticism. Levison said he believes it would be inadvisable, that [redacted] should take it into account, and [redacted] agreed.

b6  
b7C

Levison inquired if [redacted] had confirmed their date with King for Monday or Tuesday (May 10 or 11) and [redacted] said he would try. Levison said he was anxious to hold the meeting because, among other questions, there is the question of the Summer Community Organization and Political Education project, that he has heard that it is beyond the capacity of Hosea Williams, (Director of the Southern Christian Leadership Conference (SCLC) Voter Education program). He added that everyone working with Williams is finding himself floundering and that the worst kind of generalship on King's part is not putting someone in a situation when it is needed. He said it is an urgent matter that has to be straightened out.

## Communist Influence in Racial Matters

The April 13, 1964 issue of "The New York Times", page 23, contained an advertisement of the Emergency Committee for Civil Liberties (ECCL) which lists Carey Mc Williams of New York as a member of the ECCL Executive Committee.

A characterization of the ECCL is set forth in the appendix page.

The Committee on Un-American Activities, United States House of Representatives, prepared and released a pamphlet dated November 8, 1957, entitled "Operation Abolition... The Campaign Against the House Committee on Un-American Activities, The Federal Bureau of Investigation, The Government Security Program by the ECCL and its Affiliates." Pages eight and nine of this pamphlet contain information about Carey Mc Williams which included the following:

Chairman, American Committee for Protection of Foreign Born; member of council, American Peace Crusade; member of National Council, American Peace Mobilization; vice-chairman, National Federation of Constitutional Liberties; sponsor of the Civil Rights Congress; sponsor of the Veterans of the Abraham Lincoln Brigade; and sponsor of the American-Slav Congress.

The above-mentioned organizations have all been designated pursuant to Executive Order 10450.

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the Emergency Civil Liberties Committee:

"Emergency Civil Liberties Committee

"1. 'The Emergency Civil Liberties Committee is an organization with headquarters in New York, whose avowed purpose is to abolish the House Committee on Un-American Activities and discredit the FBI. \* \* \* The committee finds that the Emergency Civil Liberties Committee, established in 1951, although representing itself as a non-Communist group, actually operates as a front for the Communist Party. It has repeatedly assisted, by means of funds and legal aid, Communists involved in Smith Act violations and similar legal proceedings. One of its chief activities has been and still is the dissemination of voluminous Communist propaganda material.'

'FRANK WILKINSON was called as a witness when he appeared in Atlanta as a representative of the Emergency Civil Liberties Committee to propagandize against the Committee on Un-American Activities and to protest its hearings. In 1956 WILKINSON was identified as a Communist Party member by a former FBI undercover agent within the party. Summoned at that time to answer the allegation, his reply to all questions was, "I am answering no questions of this committee." This also became his stock reply to questions when he appeared during the Atlanta hearings. \* \* \* WILKINSON has since been convicted of contempt of Congress and sentenced to one year in jail.'

'To defend the cases of Communist law-breakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Among these organizations are the \* \* \* Emergency Civil Liberties Committee. When the Communist Party itself is under fire these fronts offer a bulwark of protection.'

RANDOLPH BLACKWELL

On February 26, 1953, Confidential Source Three advised RANDOLPH BLACKWELL had been a member of the Communist Party in the District of Columbia.

Confidential Source Four advised that RANDOLPH BLACKWELL attended a Labor Youth League convention on August 13, 1950, at the Algonquin Club, 1400 Fayetteville Street, Durham, North Carolina.

STANLEY LEVISON

Confidential Source Five advised in April, 1964, that STANLEY LEVISON was a secret member of the CPUSA in July, 1963. In late 1963 and early 1964, he criticized the CP for not being sufficiently militant in the civil rights struggle. LEVISON was described by certain CP leaders as being to the "left" of the CP in his position in civil rights. LEVISON's differences with the CP, however, are merely tactical and he continues his ideological adherence to Communism.

Re New York letter to the Bureau, 4/13/65.

On 4/21/65, [redacted] Southern Christian Leader-  
ship Conference (SCLC) Field Worker, Browns Chapel AME Church,  
Selma, Alabama, advised SA [redacted], after examining  
a photograph of STANLEY DAVID LEVISON, that he was unknown to  
him.

[redacted] went on to say that he was of the opinion a  
list was maintained of individuals from other areas of the U. S.  
who participated in captioned marches. It was his belief that  
this list was now in the possession of the headquarters office  
of SCLC, Atlanta, Georgia, or the Montgomery Improvement Associa-  
tion (MIA) located at 716 Dorsey Avenue, Montgomery, Alabama.

For the information of Atlanta, re New York letter to  
the Bureau advised that on 4/12/65, a pretext telephone call  
was made to the office of STANLEY LEVISON, 1841 Broadway, New  
York, by SA JOHN C. SEATON. On that occasion, an unknown female  
responded to the telephone call, advising that her employer,  
STANLEY LEVISON, recently had gone to Montgomery, Alabama, to  
participate in the Civil Rights march which terminated in that  
city.

The New York Office made an attempt to confirm LEVISON's  
departure by contacting major airlines in New York City, but no  
pertinent information was developed.

Reference is also made to the New York report on [redacted] dated 4/13/65, at New York. New York, in this report, commented administratively on its efforts to obtain information on the special fund-appeal letter which MARTIN LUTHER KING instructed [redacted] to get out with [redacted] help. KING also stated, at that time (2/25/65) that the letter was to be sent to the \$100.00 contributor list which is taken from "The Nation" mailing list, and that the appeal should be timely since it would follow an article that would appear in "The Nation."

b6  
b7C

The March 15, 1965 issue of "The Nation" featured a report, "Let Justice Roll Down" by MARTIN LUTHER KING, which is described as "His Annual Report to 'Nation' Readers on the Goals and Tactics of the Negro Revolt." In this report, KING comments on conditions in Selma, Alabama.

As stated in the New York report on [redacted] [redacted] Supervisor of the E.J. Creeden Co., 118 East 25th St., NYC, company handling mailings for the Southern Christian Leadership Conference (SCLC), was interviewed on 3/12/65. At that time, [redacted] stated he had not seen nor heard from [redacted] since [redacted] left the New York Office of the SCLC. He did recall that about two weeks before he had received a call from an unknown woman who said that [redacted] told her to call him. She asked if [redacted] could handle a job involving 200 copies of an automatically typed letter. [redacted] advised her that the Creeden Co. was then too busy to take such a job and he, therefore, did not get the woman's name, who she represented, or what the letter concerned.

b6

It is noted that this possibly could have been the letter which [redacted] was asked to prepare since it was to go to a select group, namely, the \$100.00 contributors to "The Nation."

On the same date, [redacted] Vice President, advised that the Creeden Co. was in the process of mailing a "March 1955" fund-appeal letter on the stationery of KING which letter comments on actions being taken against Negroes in Alabama. [redacted] made available a copy of this letter and further stated that the previous mailing of an appeal letter for the SCLC, handled by the Creeden Co., was of a letter mailed on 1/20/65.

Concerning the "March 1955" fund-appeal letter, [redacted] advised on April 21, 1965, that 158,000 copies of this letter were mailed by his company. He also stated that the Creeden Co. did not handle any mailing of a restricted nature for the SCLC during March, 1965.

b6  
b7c

It is noted that New York was able to obtain the contents of the letter [redacted] previously prepared for MARTIN LUTHER KING's signature at the request of SLATER KING. This letter, which dealt with indictments against the leaders of the Albany, Georgia movement, was furnished by NY 4171-S\*, a confidential source close to [redacted] which has been discontinued.

b6  
b7c

It is felt that, if YOUNG did seek [redacted] assistance in preparing a letter, he would have handled it telephonically. In that case, [redacted] could have been contacted at either his residence, 488 St. Nicholas Ave., or at his current employment, 799 Broadway, the office of "Freedomways" magazine. However, the highly confidential source that was maintained on the "Freedomways" office has also been discontinued.

b6  
b7c

"The Nation" publication is the subject of a closed file in the NYO and is edited by CAREY MC WILLIAMS, the subject of NY file 100-98442. NY has no information concerning the operation of the mailing procedure of "The Nation".

The NYO will be alert through contacts with NY 3246-S\* at the office of "Freedomways" magazine, where [redacted] is employed and through contact with NY 5019-S\* at the office of STANLEY LEVISON for information concerning the letter in question. Atlanta should remain alert for information it might receive concerning the letter suggested by KING.

SUBJECT: CIRM

DATE: 5/13/65

ReNYairtel 4/28/65, copies to recipients of instant communication, "Communist Party, USA, Southern Region, Internal Security - C."

Information was reported from [redacted] that on 4/26/65 [redacted] the Party's Organizational Secretary, advised the Party's Florida State Organizer that the Party intends to send one or two capable members to Atlanta, Georgia; Jacksonville and Miami, Florida; New Orleans, Louisiana; and Birmingham, Alabama. These individuals are to function as Party organizers in those areas.

b6  
b7C  
b7D

Recipient offices are referred to Bureau's "Current Intelligence Analysis" of 5/5/65 which reported proposals recently adopted by the Party's National Negro Commission, some of which have a direct bearing on the Party's intentions in the South and closely related to CIRM.

This is to alert recipient offices to the necessity for conducting appropriate investigation to identify individuals being sent into the South as Party organizers, to develop information as to their activities and, where related to CIRM, report such activities promptly to the Bureau under the CIRM caption. This is in addition to what would be normal investigation relative to the Party from an organizational and recruitment standpoint.

On 4/23/65 the Communist Party, USA's National Negro Commission met in New York City. A number of proposals were adopted by this body and their adoption was further confirmed by action of the Party's National Committee on 4/24/65. These proposals are enumerated in the Bureau's "Current Intelligence Analysis" dated 5/5/65. Two additional matters were also stressed during the Party's deliberations: (1) a Party functionary stated that "we" should have Party contacts with such organizations as the Southern Conference Educational Fund, Inc.; Southern Christian Leadership Conference; Student Non-Violent Coordinating Committee; and other groups which supply medical and legal aid in the South; (2) the functionary also stated that "we" should operate in a more organized way by meeting with those who are going to the South for temporary work and having them report back to the Party about their experiences.

Because of the ever-increasing importance of the civil rights movement generally, and the Party's designs to infiltrate and otherwise influence the movement, it is imperative that our investigative efforts, field-wide, be aimed at developing factual data as to the Party's actual implementation of its plans. All offices should, therefore, direct appropriate investigation through informants, sources and by other means to develop the information desired. Positive information obtained should be included in letter-head memoranda suitable for dissemination. The Bureau and appropriate offices should be promptly advised of pertinent developments. Where information is developed concerning the general matter of CIRM and specifically concerning a group under Cominfil investigation, utilize dual captions.

To facilitate dissemination of foregoing to appropriate Agent personnel, particularly in Resident Agencies, you are authorized to duplicate pertinent portions of instant communication.

CONGRESS OF RACIAL EQUALITY (CORE)

Source 5 advised on April 24, 1965, that [redacted] of Chicago, Illinois, a member of the Communist Party (CP), and until recently a member of the national field staff of CORE working in the Chicago area, was reported to have set up a meeting to be held on May 7 and 8, 1965, at the United Automobile Workers of America Camp at Ottawa, Illinois.

Source 6 advised the latter part of April, 1965, that [redacted] was expecting about 125 individuals to attend the Ottawa meeting. He hoped to have leading CORE members as well as representatives from Students for a Democratic Society (SDS), and other civil rights organizations represented there. They were to discuss common perspectives for the summer, to develop long-range perspectives for the civil rights organizations involved, and that the conference would unify an approach to the various projects being discussed for the summer.

Source 6 advised on May 6, 1965, that this conference had been cancelled when the authorities at the camp in Ottawa would not make it available. [redacted] then indicated that a Regional CORE Conference would be held in Chicago, Illinois, on May 8, 1965.

RE: CONGRESS OF RACIAL EQUALITY (CORE)

CONFIDENTIAL

Source 5 stated on April 30, 1965, that Tournour's purpose behind the Ottawa meeting was to establish a "left-wing" faction in CORE for the purpose of taking over the National Action Council in CORE, described as the governing body of CORE.

On May 14, 1965, Source 5 further advised that a Conference on Community Organizing sponsored jointly by SDS and Midwestern CORE chapters was held in Chicago, Illinois, on May 7 and 8, 1965. One of the basic organizers of this conference was [redacted] of Chicago. One of the main objectives of this meeting was to bring together organizers from around the Midwest to pool experiences and plan toward more effective organizing work among the poor Negro and White classes. Another objective was to bring together leaders of the "left-wing" of CORE in the Midwest to discuss strategy and tactics to be followed at the CORE National Convention in Durham, North Carolina, scheduled for July 1 to 4, 1965.

b6  
b7C

Participants in this Conference on Community Organizing included delegations from CORE chapters from Columbus and Cleveland, Ohio; Ann Arbor and Detroit, Michigan; Milwaukee, Wisconsin; Chicago, Illinois; St. Louis and Kansas City, Missouri; Lawrence, Kansas; and Omaha, Nebraska.

Also present were representatives from P.A.C.E. from Pontiac, Michigan, the Northern Student Movement in Detroit, the Chicago Freedom Democratic Clubs, the SDS, and Jobs Or Income Now from Cairo, Illinois.

[redacted] had hoped to involve the W.E.B. DuBois Clubs of America (DCA) (a characterization of which appears in the appendix hereto) in this conference and had discussed this with Phil Davis, National President of the DuBois Clubs. It was the feeling of some of the sponsors of the meeting that if the DCA did participate, it would draw "red-baiting" and suspicion on the conference.

A characterization of Phil Davis appears in the characterization of DCA in the appendix hereto.

This conference was originally scheduled to be held at the United Automobile Workers (UAW) Camp, John F. [redacted] made the statement that the UAW representatives had objected to making the camp available due to the participation in the meeting by SDS personnel.

b6  
b7C

About 150 persons attended this meeting. The first day, Saturday, was devoted to two panel discussions. Following each panel discussion, the delegates broke up into small discussion groups. On the second day of the meeting, Sunday, CORE and SDS members gathered separately to discuss the specific problems relating to their organizations.

The first panel discussion, "Goals of Organizing" was participated in by [redacted] a representative from the Northern Student Movement from Detroit, a member from SDS and "J.O.I.N.", Chicago, and a member of the Freedom Democratic Clubs of Chicago. The presentation made by [redacted] was concerned with the differences between, as he stated it, "us" and professional social workers relating to the War on Poverty employees, and other similar topics. [redacted] emphasized the importance of CORE acquiring a "working class" outlook and ridding itself of the "middle class" ideas. The representative from the Northern Student Movement said it was important to define over-all aims beyond immediate goals and two points should be concentrated on. First, to select issues that "we" can begin to win on immediately, and second, select issues and actions which force the power structure to react to "us". The representative of the Freedom Democratic Clubs of Chicago talked about politics and revolution. He said that a revolution cannot be achieved through politics, but that political activity will reflect revolutionary activity. He said there are three ways to change power and to move the power structure. These are: (1) politics, (2) economic sanctions, and (3) violence. He said that whatever method is chosen, people must reorganize to carry out the revolution.

SDS. This panel was concerned with the basic problems of practical organizing.

The home of [redacted] an official of the Packing-house Workers Union, at [redacted] in Chicago, was made available for housing one of the delegates to the meeting. [redacted] described himself as a former member of the Young Communist League. A strategy meeting involving planning for the CORE National Convention was held at this address around midnight on Saturday, May 7, 1965. This meeting was attended by leaders of the "left faction" in CORE, including [redacted] of Chicago and [redacted] of St. Louis. The following plans for the National Convention were tentatively agreed upon:

b6  
b7C

The main effort of the "left" forces will be aimed at electing a favorable National Action Council and not in a direct attack on James Farmer, National Director. It was the feeling that once the National Action Council was "taken over", then there will be time to clean out the national office and finally get rid of James Farmer. A move may be started to end the policy of four National Action Council members being appointed by the National Director. Once the "left-wing" forces feel that they have strength to do so, they intend to move to strike out the anti-Communist clause altogether from the CORE Constitution.

A resolution giving regional organizations final approval over the hiring and firing of field staff members was discussed. It is planned to urge other regions in CORE to set up the kind of regional organization which has been established in the Midwest and which can operate semi-independently of, and, if necessary, at cross-purposes to the National CORE organization. This particular effort is one being sponsored by [redacted] who is also working on the idea of a regionally-employed Field Secretary. His interest in this regard stems from the fact that he was recently fired by the National CORE organization.

b6  
b7C

The "left" forces in CORE feel that they are very strong in the far west, especially around Los Angeles, California. They feel that they have the Midwest under their control although one of the members said that elements in her chapter continue to "red-bait" and oppose her. The eastern part of the United States is considered "Farmer's territory"

although the CORE chapters at Columbia University in New York City, the Brooklyn, New York, CORE, and the Englewood, New Jersey, CORE were described as especially friendly. It was felt that the southeast and southwestern regions are pivotal and considerable effort will be concentrated in these areas.

[redacted] plans to make a tour of the midwestern chapters before the convention in order to solicit support. Funds for this trip will be forthcoming from "left" forces in Chicago. It is planned to get everyone who is friendly to the "left" to attend the convention and efforts will be made to get some kind of voting credentials for these individuals.

b6  
b7C

[redacted] was anxious to arrange a conference with [redacted] Organizational Secretary of the CP of the United States, for the purpose of conferring with him about the CORE Convention. Tournour also stated that he intended to confer with DCA leadership about the CORE Convention planning during the DCA National meeting which will be held in Chicago over Memorial Day.

W.E.B. DU BOIS CLUBS OF AMERICA

A source has advised that on October 26-27, 1963, a conference of members of the Communist Party (CP), including National Functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates to this meeting were cautioned against the germ of anti-Soviet and anti-CP ideologies. These delegates were also told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second conference of over 20 persons met in Chicago on December 28-29, 1963, for the purpose of initiating a "call" to the new youth organization and planning for a founding convention to be held in June, 1964.

A second source has advised that the founding convention for the new youth organization was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. DU BOIS CLUBS OF AMERICA was adopted. Approximately 500 delegates from throughout the United States attended this convention. The aims of this organization, as set forth in the preamble to the constitution, are, "It is our belief that this nation can best solve its problems in an atmosphere of peaceful co-existence, complete disarmament and true freedom for all peoples of the world, and that these solutions will be reached mainly through the united efforts of all democratic elements in our country, composed essentially of the working people allied in the unity of Negroes and other minorities with whites. We further fully recognize that the greatest threat to American democracy comes from the racist and right wing forces in coalition with the most reactionary sections of the economic power structure, using the tool of anti-communism to divide and destroy the unified struggle of the working people. As young people in the forces struggling for democracy, we shall actively strive to defeat these reactionary and neo-fascist elements and to achieve complete freedom and democracy for all Americans, thus enabling each individual to

freely choose and build the society he would wish to live in. Through these struggles we feel the American people will realize the viability of the socialist alternatives."

The constitution further states that this new organization shall be a membership organization open to individuals or if five or more people so desire a chapter can be formed which shall in turn be guided by the policies and principles of the parent organization.

The second source has also advised that at the founding convention it was voted that the organization should be temporarily headquartered in San Francisco, California, although no specific physical location was decided upon. This same source advised on June 29, 1964, that the temporary headquarters of this organization is 1007 McAllister Street, San Francisco, which is the headquarters of the W.E.B. DuBois Club of San Francisco.

Both sources have advised that at the founding convention two officers were elected:

[redacted] President, and  
[redacted] Publications Chairman.

b6  
b7C

A third source has advised that on October 26, 1962, [redacted] attended a CP recruiting class held at 1579 Scenic Avenue, Berkeley, California.

b6  
b7C

A fourth source has advised that [redacted] reporter for the "People's World" newspaper, was, on April 3, 1964, elected to the newly organized San Francisco County Committee of the CP.

b6  
b7C

The "People's World" is a West Coast communist newspaper published weekly in San Francisco, California.

Report of [redacted] furnished to SA SPURGEON J. PETERSON on May 14, 1965, location [redacted]

"May 14, 1965

"A Conference on Community Organizing sponsored jointly by Students for a Democratic Society and Midwestern C.O.R.E. chapters was held in Chicago on Saturday, May 7 and Sunday, May 8. The basic organizers of this conference were [redacted] and [redacted] of Detroit. While one main objective of this meeting was to bring together 'community organizers' from around the Midwest to pool experience and plan toward more effective organizing work among poor Negroes and whites, another objective was to bring together leaders of the 'left wing' of C.O.R.E. (in the midwest) to discuss strategy and tactics for the upcoming (July 1-4) C.O.R.E. National Convention in Durham, North Carolina.

b6  
b7C

"Participants in the Conference on Community Organizing included delegations from C.O.R.E. chapters in Ohio (Columbus, Cleveland), Michigan (Ann Arbor, Detroit), Wisconsin (Milwaukee), Chicago, St. Louis, and Kansas City, Omaha and Lawrence, Kansas. There were also representatives present from P.A.C.E. (Pontiac, Michigan), Northern Student Movement in Detroit, the Chicago Freedom Democratic Clubs, and Students for a Democratic Society projects in Chicago (J.O.I.N.) and Cairo, Illinois. [redacted] had hoped to involve DuBois Clubs of America leadership in this conference, and had discussed this with PHIL DAVIS, but it was felt by others (primarily [redacted]) that this would draw 'red-baiting' and suspicion to the conference. [redacted] DuBois Organizer for Southern Illinois-Missouri, did attend this conference at [redacted] invitation and, at [redacted] instruction, was listed and introduced as a member of E. St. Louis C.O.R.E.

b6  
b7C

"This conference was originally to be held at the United Auto Workers John F. Kennedy Park in Ottawa, Illinois, but was transferred to Ada Noyes Hall at the University of Chicago. According to [redacted] the U.A.W. representative had objected to the participation of S.D.S. personnel.

b6  
b7C

"The conference was attended by more than 150 persons. The first day Saturday was devoted to two panel discussions (after each panel the body was broken up

"The first panel discussed 'Goals of Organizing'. Participating were [redacted] of Northern Student Movement (Detroit) of S.D.S.--J.O.I.N. (Chicago), and [redacted] of the Freedom Democratic Clubs (Chicago). This panel was chaired by [redacted] (from Detroit C.O.R.E.).

b6  
b7C

[redacted] presentation was concerned with the differences between 'us' and professional social workers--War on Poverty employees, etc. He called 'us' guerrillas--'them' mercenaries. He emphasized the importance of acquiring a 'working class' outlook--of ridding ourselves of 'Middle class ideas'.

[redacted] said it was important to define overall aims beyond our immediate goals--that we should 1) select issues we can begin to win on immediately, 2) select issues and actions which force the power structure to react to us (he used as an example the Mississippi Freedom Democratic Party), and stressed the need to put the 'establishment' on the defensive. [redacted] talked about the issue being 'democracy' and about the need for building a movement to bring pressure on the power structure to democratize it.

b6  
b7C

[redacted] talked about politics and revolution. He declared that we cannot achieve a revolution through politics, but that political activity will reflect revolutionary activity. He said there are three ways to change power and to move the power structure: 1) politics, 2) economic sanctions, 3) violence. He declared that whatever way we choose, we must get out and organize people to carry out the revolution.

b6  
b7C

"The second panel was concerned with 'Building Permanent Community Structures'. [redacted] of S.D.S. chaired it. [redacted] had chaired the first panel) Participating were a [redacted] ??? (last name not known) from the J.O.I.N. (Jobs Or Income Now) Chicago project, [redacted] from the Cairo, Illinois project and [redacted] from Cleveland C.O.R.E. This

b6  
b7C

"panel was concerned with the basic problems of practical organizing.

[redacted] arranged housing for PEAKE at the apartment of [redacted] Packinghouse Workers Union official, at 4800 South Lake Shore Drive. [redacted] called [redacted] a 'good guy' and a person that [redacted] should 'get to know'. [redacted] discussed left-wing politics and personalities at some length with Peake, evidencing great interest and sympathy with the DuBois Clubs (his son is active in the DuBois Club at Madison, Wisconsin) and telling [redacted] that he had been a member of the Young Communist League.

b6  
b7C

"A strategy meeting involving planning for the C.O.R.E. National Convention was held at [redacted] around midnight on Saturday. Attending were the Midwest leaders of the left faction in C.O.R.E., including [redacted] of Cleveland, [redacted] of St. Louis. Also attending were a [redacted] of [redacted] girl-friend [redacted] of St. Louis. Further (and final) discussion on strategy will be held at the C.O.R.E. Midwest Regional Meeting on June 9. [redacted] of Detroit is also a leader in this faction.

b6  
b7C

"The following plans for the national convention were tentatively agreed upon: The main effort of the left forces will be aimed at electing a favorable National Action Council, not in a direct attack on [redacted]. It is felt that once the National Action Council is 'taken over', they can 'take their time' in cleaning out the National Office and finally getting rid of Farmer. There may be a move to end the appointing of four NAC members by the national director [redacted]. If the left forces feel they have the strength to do so, they will move to strike out the anti-Communist clause altogether from the CORE Constitution. A resolution giving Regional Organizations final approval over the hiring and firing of Field Staff was discussed. (They plan to urge other regions to set up the kind of Regional Organization which has been established in the Midwest, which can operate semi-independently of and at cross-purposes to the National CORE organization if possible.) This effort is [redacted] brainchild, and he is now working as a sort of Regionally-employed

b6  
b7C

"Field Secretary, after having been fired by the National.

"The left forces feel they are very strong in the Far West, especially around Los Angeles. They feel they have the Midwest under control, although [redacted] [redacted] complained that National CORE is encouraging dissident elements in her chapter to red-bait and oppose her. The East is considered 'Farmer's territory' although COLUMBIA UNIVERSITY C.O.R.E. BROOKLYN CORE, AND ENGLEWOOD, NEW JERSEY C.O.R.E. A [redacted] [redacted] (spelling-??) of Englewood, was mentioned as especially friendly. They regard the SOUTHEAST and SOUTHWESTERN REGIONS as pivotal, and most of their politicking will be concentrated there. They mentioned offering [redacted] (head of the Louisiana project) 'anything he wanted' in an effort to gain his support. [redacted] plan to make a tour of Midwestern chapters (and possibly elsewhere) before the Convention, soliciting support. Funds for this trip will come from left sources in Chicago. [redacted] expressed hope that the Promoter of the 'Beatles' concert in Chicago would come up with a sizable contribution. This fellow is also the manager of the [redacted] Trio', a folk singing group, and [redacted] mentioned that this trio had helped the New Mexico DuBois Club a great deal while they were appearing at the Univ. of New Mexico.

b6  
b7C

"It is planned to get everyone friendly to the left to the convention who can possibly go, and that efforts will be made to obtain some kind of voting credentials for these people at the convention.

[redacted] has asked [redacted] to confer with [redacted] about the convention and has asked [redacted] to arrange a meeting between [redacted] if this is possible. [redacted] plan to confer with DuBois leadership about the Convention planning while the DuBois Clubs are holding their National Meeting in Chicago over Memorial Day."

DISCUSSION UNLIMITED

Records of the Division of Corporations, California State Department of Investments, Los Angeles, California, indicate that Discussion Unlimited filed its Articles of Incorporation as a nonprofit corporation, with the Secretary of State, Sacramento, California, on or about June 4, 1963, noting its principal site of office as Los Angeles County, California. The aims and purposes of the organization, as listed in the Articles of Incorporation, are "...to promote full and open discussion on our society and problems."

A source advised on May 8, 1963, that Discussion Unlimited actually was originated in Los Angeles, California, in May, 1962, and was composed largely of a number of present and former Communist Party members who assist in staging panel forums and in promoting such events. Original coordinator of the group was [redacted] who in 1961, was educational director of the Southern California District Communist Party.

This source was recontacted on May 15, 1964, and indicated that the basic concept of Discussion Unlimited has not changed. It continues to present "left ideas" to at least partially non-committed audiences. It proposes to develop special activities around various issues on an irregular basis. It is not a membership organization, and does not hold regular meetings as such, but rather is strictly a forum type organization.

FREEDOMWAYS ASSOCIATES, INCORPORATED

The records of the New York Secretary of State, Albany, New York, show that the certificate of incorporation of Freedomways Associates, Incorporated, was filed on March 2, 1961.

The Spring, 1964, issue of "Freedomways" is self-described as "A Quarterly Review of the Negro Freedom Movement" published by Freedomways Associates, Incorporated, 799 Broadway, New York City.

On May 24, 1961, a source advised that a report was given on "Freedomways" at a meeting of the National Board, Communist Party, USA (CPUSA), held on May 24, 1961. It was stated that the original plan called for the publication to be openly Marxist, but that it was later decided it would not be avowedly a Marxist publication. Editorials are in the hands of a mixed group of Marxists and non-Marxists. It was stated that the central purpose of "Freedomways" is to develop a theory and positive criticism of currents in the Negro movement, as well as to raise the level of understanding and discussion taking place in Negro life today and to project a socialist and pro-Soviet orientation.

On May 25, 1961, another source advised that "Freedomways" was set up for the CPUSA by JAMES JACKSON, a member of the National Committee of the CPUSA.

THE PHYSICIANS FORUM INCORPORATED

Records in the office of the Clerk, New York State Supreme Court, Foley Square, New York, reflect that The Physicians' Forum, Inc., (PF) was issued a Certificate of Incorporation on April 27, 1944, under the laws of the State of New York, to operate as a non-profit, membership organization principally in the United States. The PF, under the name of the New York Physicians' Forum, had been in existence as an unincorporated association since about 1939.

A source, on September 13, 1954, furnished a folder of PF entitled "What is the Physicians' Forum?" which stated in part that to maintain freedom of thought and expression in medicine, the Forum opposes the imposition of "loyalty oaths" as a prerequisite for licensure, for hospital appointments or privileges, in medical schools, or hospital staffs and against patients; to re-establish the freedom of the medical press, the Forum urges medical society publications to open their volumes to diverse views on controversial subjects; and to provide a forum wherein socially liberal doctors may express their views in opposition to the policies of organized medicine.

The report of the Sub-Committee to Investigate the Administration of the Internal Security Act and other Security Laws of the Committee of the Judiciary, United States Senate, 82nd Congress, 1952 on "Subversive Influence in the Educational Process" on page 37 sets out the testimony of BELLA DODD, member of the National Committee of the Communist Party from 1944 to 1948. DODD testified that

On April 24, 1963, the above source advised that the PF is opposed to the resumption of nuclear testing and is against compulsory membership for physicians in the American Medical Association (AMA). It continues to be active in a program of supporting legislation which would provide medical care for the recipients of Social Security benefits, and provide for Social Security benefits for physicians.

1. "This Communist-front activity was organized originally by the Communist front, Progressive Citizens of America. It was active on California campuses in racial agitation, support and defense of known Communists, agitation against legislative investigating committees and political campaigning for the Communist controlled third party. It also featured the Communist party line against universal military training. After the 1948 elections it merged with Young Progressives, the youth section of the third party movement, and the combination took over the functions and activities of American Youth for Democracy, which had been direct successor to the Young Communist League.

SUBJECT: CIRM

ReBulet to all offices, 5/13/65.

Referenced letter contains instructions relating to CIRM, which should be brought to the attention of appropriate Agent personnel. The following information was contained in the referenced letter:

On 4/23/65, the CPUSA's National Negro Commission met in New York City, and a number of proposals were adopted by the body and their adoption was further confirmed by action of the Party's National Committee on 4/24/65. These proposals are enumerated in the Bureau's "Current Intelligence Analysis", dated 5/5/65. Two additional matters were also stressed during the Party's deliberations:

1. A Party functionary stated that "we" should have Party contacts with such organizations as the Southern Conference Educational Fund, Inc.; Southern Christian Leadership Conference; Student Non-Violent Coordinating Committee; and other groups which supply medical and legal aid in the South.

2. The functionary also stated that "we" should operate in a more organized way by meeting with those who are going to the South for temporary work and having them report back to the Party about their experiences.

Because of the ever-increasing importance of the civil rights movement generally, and the Party's designs to infiltrate and otherwise influence the movement, it is imperative that our investigative efforts, field-wide, be aimed at developing factual data as to the Party's actual implementation of its plans. All offices should, therefore, direct appropriate investigation through informants, sources and by other means to develop the information desired. Positive information obtained should be included in letterhead memoranda suitable for dissemination. The Bureau and appropriate offices should be promptly advised of pertinent developments. Where information is developed concerning the general matter of CIRM and specifically concerning a group under Cominfil investigation, utilize dual captions.

The Bu and Atlanta, by reNYairtel, were advised that this individual was identical to [redacted], and that he has been an approved criminal informant of the NYO since 1958.

b7D

[redacted] advised on 3/29/65, that to date, Teamsters Joint Council 16 has furnished \$7,000.00 worth of food and clothing to the Civil Rights demonstrators in Selma, Alabama, and he, the informant, has about \$7,000.00 in cash which will be presented to Dr. MARTIN LUTHER KING, "when he comes to New York." Complete details of the above are set out in above referenced NYairtel.

b7D

ReAtlantaairtel dated 4/27/65, reflects that AT 1384-S\* informed on 4/26/65, that MARTIN LUTHER KING, JR., wanted [redacted] of SCLC, to call a certain individual of the Teamsters Union, KING said this person has money for him and wanted [redacted] to tell this person that KING would meet him in NYC on 5/12/65.

The NYO was requested to identify this person and submit any information concerning him to the Bureau and Atlanta.

For the information of the Bureau and Atlanta, this person is identical to [redacted] who was mentioned in reNYairtel.

b7D

It is believed that the \$7,000.00 which [redacted] advised he was going to give KING and which is set out in detail in the reNYairtel, is identical to the \$7,000.00 which BAYARD RUSTIN discussed with DORA MC DONALD, Secretary to MARTIN LUTHER KING, JR., as set out in reAtlantaairtel dated 4/27/65. It is further believed that when KING wanted [redacted] of SCLC, to call a certain person of the Teamsters Union, inasmuch as this person had money for him (KING), KING was referring to the above \$7,000.00.

[redacted] For the information of the Bureau and Atlanta, [redacted] advised on 4/26/65, that he "was tired of attempting to reach KING without getting any results", and that he was going to mail a check to KING in the amount of \$7,000.00.

During the course of the interview, [ ] was asked repeatedly what the sources were for his information, and he replied that everything was based on thirty years of experience in these matters.

[ ] stated that bloody violence will erupt this summer in Indianola, Mississippi. He said that this violence will be caused by sociological and economic conditions as well as the illegal traffic in alcohol which is taking place in that area. According to [ ] this area is ripe for violence in view of the fact that the whites outnumber the Negroes.

[ ] stated that originally he set the date of 6/10/65, for this violence, but he stated that he has been forced to revise this estimate. [ ] stated that ROY WILKINS is determined to win a victory in Indianola where, according to [ ] is the only place that he has a grass roots movement. [ ] pointed out that WILKINS has never been an activist in the civil rights movement and is, therefore, operating at a disadvantage.

[ ] stated that this will evolve into three cornered struggle with the Soviet Communists, the Peking Communists, and those whom he described as liberal Marxist-Leninists trying to gain advantage of the situation. [ ] said that he has been forced to withdraw the date of 6/10/65, in view of the fact that all of the forces in this area have been in the process of re-evaluation of the entire situation in the light of current events. [ ] however, forecast that this violence would occur in the summer of 1965.

[ ] was asked what sources he had for this information, and he reiterated that he based this forecast on a keen study of such matters and his 30 years experience in this field.

In regard to [ ] said that BELAFONTE is an "agent of the Peking Government", but he either could not or would not give the source or sources of this information. He spoke as though it was a well known fact that BELAFONTE was an agent of the Peking Government.

During the course of the interview, [ ] tried to impress the agents that he was in a position to influence JAMES FARMER. He stated that he was instrumental in getting FARMER to suspend several chapters of CORE which were not following the

direction of the national office. [ ] stated that it was he who wrote FARMER's remedial education program which was submitted to President [ ]

[ ] stated that he was acquainted with MARTIN LUTHER KING, JR., whom he described as "stupid" who could not develop a thought of his own. [ ] stated that at the time of the March on Washington, he gave KING a speech to use on television. According to [ ] KING used this same speech on the occasion of receiving the Nobel Peace Prize.

[ ] stated that an assassination of MARTIN LUTHER KING, JR., would best serve the purposes of the Peking Communists in that it would create chaos and confusion. Mr. [ ] could offer no specific information in this regard.

[ ] terminated the interview by saying that he had another appointment.

[ ] claims to have developed a close relationship with JAMES FARMER of CORE in regard to the civil rights movement. He feels that FARMER, with all aspects being considered, is the best one to lead the Negro movement. He seemed very much disturbed that MARTIN LUTHER KING, JR., might move into the New York area.

During the course of the interview, [ ] implied that he had information relating to the moral background of MARTIN LUTHER KING, JR., but he would not reveal this information.

[ ] stated that he had an intense interest in these matters. He said that he has studied Communism for a period of over 30 years and feels that the only way that democratic freedom can be advanced is by stamping out Communism. He said this is his only interest and that he has no ulterior motives.

As regards [ ] allegation that [ ] is an agent of the Peking Government, the New York Office has no information to substantiate such an allegation. As the Bureau is aware, [ ] had been [ ] agent some years ago and is still bitter over the loss of this client. He failed to furnish specific facts to substantiate any allegation and based his knowledge of affairs on his years of experience and study. [ ] identifies himself as a "noted financier and famous author".
